

## **Schedule 70 - Information Technology Services (IT)**

### **Contract Number GS-35F-0061M**

The DSCI GSA Information Technology (IT) Schedule 70 is an indefinite delivery, indefinite quantity (IDIQ) contract with a base period of performance of 5 years, plus three (3) option periods of five (5) years for each option period, and is administered by the Federal Supply Service (FSS) of the U.S. General Services Administration (GSA).

The DSCI Schedule 70 offers all Federal, State, Local and UN agencies worldwide direct delivery of state-of-the-art, high-quality, turn key services and solutions by DSCI IT engineering Subject Matter Experts (SMEs.) All customers, even those in remote locations, can order the latest technology and quality services, conveniently, and at most-favored customer prices at volume discount pricing. The DSCI GSA Schedule 70 also offers potential benefits of shorter lead-times and lower administrative costs. Customers using the DSCI Schedule 70 have the opportunity to meet small business goals because of DSCI's status as a Small Business!

DSCI has personnel skilled in the systems engineering, simulation, modeling, analysis and testing disciplines ready now to support mission goals including:

- Resources and Facilities Management
- Database Planning and Design
- Systems Analysis and Design
- Network Services
- Programming
- Conversion and Implementation Support
- Network Services Project Management
- Data/Records Management
